About Us

The institution, Government Science College, Veraval has been established in 2016 in the coastal area by Education Department- Gandhinagar to provide opportunity for higher education to the students of semi urban and rural areas at their doorstep. The Institute has completed 7 years of its progressive journey and is a family of more than 1500 students at undergraduate level in science. The college strives to emphasis and succeeds in strengthening the students through academic and extra-curricular activities for their overall development. The college has qualified & experienced staff, well equipped laboratories for each subject, enriched library, play area & separate parking facilities for staff & students.

For holistic development of students along with curricular activities, we effectively implement government initiatives like Finishing School, Placement Cell, Anti-ragging Cell, Women Development Cell, Innovation Club, SSIP Cell, ED Cell, Cyber Club, Standard Club, Saptadhara & UDISHA.

About Gir-Somnath

Veraval is headquarters of Gir-Somnath district, which is located in Saurashtra region of Gujarat and surrounded by the Arabian sea to its south. Gir somnath is very famous for somnath Temple, first jyotirlinga of lord shiva among the twelve jyotirlinga of India, Bhalaka Temple of Lord Krishna and Gir Sanctuary, the only abode to Asiatic lion.

Fisheries have always been the main industries in the town. Veraval also has a large boat making industry. Veraval is home to a large number of fish processing factories in G.I.D.C which export prime quality seafood to USA, Japan, SE Asian, Gulf and EU Countries.
